

TASTY FOODS, UAB

ENVIRONMENTAL PROTECTION POLICY

TASTY FOODS, UAB by responsibly carrying out its business activities, considering the impact on the environment and sustainability, assessing and respecting the needs of its customers, partners and employees, **seeks** to reduce any negative impact on the environment.

To implement the set environmental protection policy goal, the company **undertakes** to:

- comply with the requirements of environmental protection laws and regulations.
- use resources economically and rationally, thereby reducing the impact on the environment.
- apply pollution prevention principles: reduce waste generation, promote the sorting of secondary raw materials.
- use certified, less environmentally harmful materials and tools.
- use new, more environmentally friendly production technologies, whenever possible.
- promote awareness of its employees on environmental improvement issues.

The management of TASTY FOODS, UAB is committed to implementing this environmental protection policy, allocating the necessary resources to implement the environmental protection policy and the objectives set on its basis. The company is open to the public, self-critical and constantly looking for new opportunities to contribute to environmental improvement.
